15) The G.O. No. 6406-8-7, D. 124-43-2, of
15-5-44, in regard to the change in the date of

Comm. in (para 14 supra) is pertinent

16) In the present case, the difference in the date of
birth exceeds one year specified in the above G.O.
and has therefore to be sanctioned by Govt.

17) No convincing explanation is forthcoming in
support of the proposed alteration

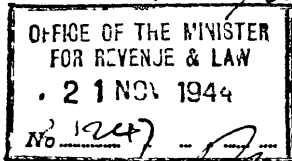

is for orders.

19) Having regard to the circumstances
of the case, it does not appear
desirable to accept the date of
birth as 14.10.1917. This appears
to be based on an afterthought.
The date seems to have been chosen
conveniently as 14.10.1917 so as to
be within 28 years - the minimum
prescribed for the candidates of backward
communities for entry into service
batches. Any number of candidates would
be available for such appointment.

Sir,

Subject - Special vacancy No 130 of an Octroi Manegar on Rs 15/
in the City Municipality, Mysore

I have the honor to state that the above vacancy of an Octroi Manegar was advertised in the Mysore Gazette as per Public Service Commissioner Rules. But no applications were received from duly qualified candidates of backward communities in response to the advertisement and so the Public Service Commissioner intimated in his letter No 3352/PSC dated 20-1-44 that a locally available duly qualified non-brahmin candidate be appointed in the vacancy. Accordingly one S B Abdul Razak, a locally available qualified non-brahmin candidate who was temporarily appointed to act in this vacancy pending filling up of the vacancy as per Public Service Commission Rules was recommended to the Public Service Commissioner for approval of his appointment in the above vacancy. The candidate's application in the prescribed form was also forwarded to the Public Service Commissioner with this office letter No M 71/43-44 dated 22-3-1944.

The Public Service Commissioner intimated in his letter No 5211/PSC dated 24-4-1944 that approval to the appointment of Abdul Razak cannot be accorded as he was overaged and requested to terminate his services by the appointment of another locally available non-brahmin candidate. When this was communicated to the candidate through the Revenue Officer, the candidate submitted an application representing that the date of birth given in his original application was incorrect and that his correct date of birth was 14-10-1917. The candidate also produced an 'AFFIDAVIT OF AGE' sworn to before the Magistrate by his father to the effect that his son was born on 14-10-1917. The Revenue Officer submitted his application with the recommendation

6

that his case may be reconsidered in view of his subsequent statement Accordingly, a reference was made to the Public Service Commissioner in this office letter No.M4.71/43-44 dated 18-5-44, requesting to intimate as to whether the candidate may be continued in service in view of the above circumstances In reply, the Public Service Commissioner intimated in his letter No 6354/PSC dated 28-6-1944 that Government may be addressed in the matter of altering the date of birth of the candidate The affidavit of age produced by S.B Abdul Razak is herein forwarded in original.

In the above circumstances, I request that early orders of Government may kindly be obtained to continue the candidate in service in view of the fact that it is found difficult, to procure hands for the post of the octroi Manegar

I have the honour to be,

Sir,

Your most obedient servant,

PRESIDENT.
